Catering made easy:

Our catering coordinators are a call away to assist you in creating and customizing your menu. We know our food the best, and we've done this plenty of times before. Just let us know what you're looking for, and we'll help bring the best food your guests have had in awhile, back again.

Made to order. Delivered to enjoy!

Why are we highly recognized in the Toronto food scene? For our authentic Indian cuisine of course! Our team of chefs are actually our family. The root of our recipes secret ingredient is our love for food and our culture. There's so much that goes into creating your next big order. It's why we only use the freshest of locally sourced meats and vegetables, marinated and smothered with Indian herbs and spices. Our entire menu comes to life with wholesome, quality ingredients that we take pride in sourcing and preparing fresh, everyday.

Food brings teams, families, and friends together. Regardless of how big or small the occasion is, we know your guests will love the meal you are catering from Little India Restaurant.
